

## NCR EasyPoint Advantage™ Products

www.spacepole.com

SpacePole® delivers a unique system of ergonomic, space saving mounts that can be integrated with most technologies in all manner of environments. All standard configurations provide rotation and tilt facilities along with cable management.

When instant access to information is crucial to your store experience, the NCR kiosk technology needs to be accessible and secured to both customers and staff anywhere in the store.

The NCR EasyPoint Advantage™ SpacePole® range allows you to integrate kiosk technology in almost any environment. The range covers enhanced security features, secure cable and power management plus the flexibility to integrate additional peripherals.

Our standard products cover the following features:

- Tilt and Rotation
- Cable and Power Management
- Finished in Iron Grey
- 5 Year Warranty
