

# Wincor Nixdorf Peripherals

With a vast number of options and combination possibilities, SpacePole® can be modified to the requirements of even the most demanding retail environment. As new POS hardware is produced, new SpacePole® options and mounts are created.

We have a comprehensive range of peripheral mounts that enable you to integrate keyboards, printer plates, scanners, payment terminals, pin pad devices, etc, whether you are upgrading existing solutions or creating new ones.

SpacePole® mounting solutions for Wincor Nixdorf branded peripherals include the following:

Keyboards	Printers	LCD Flat Screens	Customer Displays
BEETLE PC/POS TA58P	POS TH210	TFT BA72/BA72R	BA66
POS TA61	POS TH220	TFT BA73	BA63
BEETLE PC/POS TA85/TA85P		Customer/User Display BA69
